Professional Development

Assessment – beyond certification, graduation and employment rates

The Spring Professional Development Program will highlight the assessment and value of qualitative data as part of an accreditation review.

Monday, March 26, 2012

- 1:15 pm – 5:00 pm Monday's activities will include an overview of the essentials and benefits of qualitative assessment; perspectives from agencies and programs that use qualitative evidence to demonstrate compliance; and how qualitative data links to missions, employer and graduate satisfaction, and impacts on communities and professions.
- 5:15 pm – 6:45 pm **Reception**

Tuesday, March 27, 2012

- 8:30 am - 12:00 pm Tuesday's session will include discussions of professional judgment and achieving consistency in evaluating qualitative evidence, as well as developing and using rubrics and sharing best practices.
