
Association of Specialized and Professional Accreditors

Spring e-Conference - March 29-30, 2021 - Register now!

ASPA conferences are about sharing good practices and supporting specialized and professional accreditors in their work. Our e-Conference will include sessions to:

- bring attendees up-to-date on the landscape in higher education and accreditation,
- discuss practices for program reports - data collection and quality improvement,
- examine how accreditors use student achievement indicators,
- talk about accreditor self-evaluation,
- compare how accreditors respond to and support program applicants, and
- showcase some opportunities during remote operations.

Sessions will be recorded and available for review after the conference. We look forward to e-seeing you!

Registration: \$150 for ASPA members, \$200 for non-members. Make sure to take advantage of the 10% group registration discount!

About ASPA

The Association of Specialized and Professional Accreditors provides a collaborative forum and a collective voice for the community of 61 member accreditors that assess the quality of programmatic education in colleges and universities in the U.S. We are the only organization that promotes the importance of

specialized and professional accreditation.
